REMARKS

Applicant is submitting the above amendment to the specification to correct an inconsistency in the reference number applied to the vial in the description of the invention disclosed in the application as originally filed and to correspondingly improve the clarity of the specification. This paragraph of the specification had previously been amended in the Amendment and Response filed on May 24, 2005.

The amendment is fully supported by the specification to the application and does not include any new matter. Applicant believes that the application is now in condition for allowance. Early favorable action is earnestly solicited. The Examiner is invited to call the undersigned if such would be helpful in resolving any issue that might remain. If any fees are due, please debit Deposit Account 10-0270 and inform the undersigned.

Respectfully submitted,

Richard W. White
